REPORT for the Year 1934.

In submitting to the Donors and Subscribers the 41st Annual Report, Statement of Accounts and Balance Sheet for the year ending December 31st, 1934, the Board of Management are gratified that the public of Blackpool have enabled them to meet the Expenditure.

We have again to record a year of great activity in the work accomplished, the details of which will be found on subsequent pages.

The Income for the year is £16,104 14s. 10d. and the Expenditure £15,831 1s. 0d.

The Annual Subscriptions are slightly in advance of the previous year although we have lost several Subscribers through death and other causes, but we are pleased to note that new Subscribers have been enrolled.

The request of the Board of Management contained in our last report, inviting Subscribers to sign a Form of Covenant to subscribe a certain amount for a period of seven years, or until death, enabling the Board to obtain repayment of Income Tax on Subscriptions, without putting the Subscriber to further expense, did not meet with the response expected. To those who were good enough to respond to the Board's request, we offer our grateful thanks, and we again ask those who have not responded to consider how valuable will be the extra income thus obtained for the Hospital Funds. Subscribers who desire to become associated with this form of increasing the Annual Income, will be supplied with a copy of the Covenant on application to the Secretary.

The results of the Ladies' efforts have been very successful, and the Board of Management are deeply indebted to them for the splendid success and extend to them a special vote of thanks.

The Workpeople's Contributory Scheme continues to make progress, and the increased income from this source for the past year is £641 7s. 11d. It is pleasing to note that many new names have been added to the roll during the year.

Householders' Boxes have realised £216 3s. 6d. as against £217 12s. 5d. for the previous year. It is expected that this amount will be greatly increased during the coming year.

The receipts from the patients, £2,662 1s. 11d., is an increase on the previous year of £316 8s. 8d. The Board of Management again appeal to those in receipt of wages to contribute towards their maintenance.

The Board of Management report the receipt of the following legacies :—

Haywood, Exors. of late W. B.	100	15	6
Owen, Exors. of late Mrs. M. (Balance of Legacy).....	26	10	8
Ogden, Exors. of late G.	250	0	0
Parkinson, Exors. of late J. T.	57	19	6

Wolstenholme, Exors. of late Samuel	200	0	0

The Honorary Treasurer, Mr. J. B. Calkeld, Executor for the late Mrs. Sarah Mary Richardson, widow of the late Dr. Wm. B. Richardson, has paid over to the Hospital Funds during this year the sum of £8,000. There will be further payments from this Estate which will be paid later.

By the will of the late Ald. Richard Swarbrick, the Hospital has benefitted by being made the Residuary Legatees in his will. It is not known at present what the sum total of this will mean to the Hospital, but in this year's accounts a sum of £10,000 is recorded as having been received on account from the Executors of the will. The Board have decided to build a Medical Block, to be named "The Richard Swarbrick Medical Ward."

The Board of Management desire to express their very grateful thanks to H. F. Derham, Esq. (Chief Constable of Blackpool), for the endowment of a Cot, to be named the "Susan Hall Cot," together with a balance of £283 12s. 10d. which has been placed to the Cot Fund.

The Board regret to report that the Matron, Miss Hall, found it necessary to resign her post in order to take over a Private Nursing Home at St. Annes. Miss Hall has been 12 years in connection with the Hospital, and has won the affection and esteem of the Staff, the Board, and the patients. We trust that she will be successful and happy in the new sphere of activity she has undertaken.

Out of 37 applicants for the position of Matron, the Board unanimously appointed Miss E. H. Maclean, Assistant Matron of the Royal Infirmary, Bolton, to fill the vacancy.

One hundred and ninety-three Motor Accident cases were dealt with during the year, an increase of thirty-five cases on the previous year. These patients occupied beds in the Hospital for 3,141 days, with an average stay of 16.28 days. The cost to the Hospital was £1,256 8s. od., and of this sum £158 14s. 6d. has been received from the patients, and £366 12s. 6d. from Insurance Companies, leaving a deficiency of £731 1s. od. It is often very difficult to obtain a settlement with the Insurance Companies, the cases being held up far too long, which entails a further burden upon the Hospital, in consequence of the correspondence involved therein. It is hoped, that eventually, the Insurance Companies will be held responsible for the whole expense in connection with Motor Accident cases.

The Board deeply regret the loss by death of two of their members, George Mitchell, J.P., who died 30/5/34, and although not coming within the year of this Report, the death of the Rev. J. H. Barr on the 11/2/35, and the Board also deeply regret the loss of a staunch worker, Mrs. H. F. Harrison, for many years an active member of the Ladies' Committee.

The Board of Management at their meeting held on the 18th July, 1934, elected Abraham Fielding, Member of the Blackpool Trades Council, as a member of the Board, to fill the vacancy caused by the death of George Mitchell, J.P.

The Annual Meeting of the Donors and Subscribers held on the 31st May, 1934, adopted a Special Resolution to increase the number of members of the Board of Management, as submitted in our previous Report, from 18 to 24 members, including the *ex-officio*

members, and at the adjourned meeting held on the 21st June, 1934, the following nominations were submitted :—John Potter, J.P., M.P., F. W. Millington, J.P., and Mrs. M. A. Quayle, were nominated by the Corporation of Blackpool; the Hon. Medical Board nominated G. H. Buckley, and the Chairman declared these duly elected elective members of the Board of Management :—

John Potter, J.P., M.P.	three years
F. W. Millington, J.P.	two years
Mrs. M. A. Quayle.....	one year
G. H. Buckley	one year

The Donors and Subscribers nominated John Anderson, Senr., F. R. Boydell, F. B. Freshwater and F. T. Pennington for the two remaining seats, and on being put to the vote the Chairman declared F. T. Pennington and F. R. Boydell duly elected elective members of the Board for the respective terms of three and two years, and re-elected T. P. Fletcher, J.P., W. H. Fox, J.P., Thos. Stopford, J.P., and Percy Willis, J.P., members for a period of three years.

The following members retire at the next Annual Meeting of Donors and Subscribers :—G. H. Buckley, J. Fielding, L. H. Franceys, T. G. Noble, Mrs. M. A. Quayle and G. Whittaker, J.P., who offer themselves and are eligible for re-election.

The Board of Management desire to tender their sincere thanks to the Director of Education, to the Teachers, and Scholars of the various schools who rendered such valuable assistance in collecting 27,000 eggs during the year, and to those friends who so kindly lent their motors for transport.

The presentation of medals to the most successful Nurses of the year was performed by His Worship the Mayor, Ald. C. E. Tatham, J.P.

- 1st—The “ William Hammond Hodgson ” Memorial Gold Medal—Nurse May.
- 2nd—The “ J. R. Fielding ” Silver Medal—Nurse Downham.
- 3rd—The “ Freda Kelsall ” Bronze Medal—Nurse O’Neil, Senr.

The special prize for the best all-round Nurse of the year was won by Nurse O'Neil, Senr.

Since our last Report the erection of the New Hospital has made steady progress, we have extended the scheme to include the erection of a Medical Block.

The cost of completing the work at present under contract at the New Hospital is the sum of £152,000—which, with the furnishing estimated at £12,000, gives a total cost of £164,000. Towards this we can so far see our way to £100,000.

As stated in our last year's Report the Corporation have undertaken to find us upwards of £60,000 on loan which will enable us to meet the cost of the present contract, leaving £4,000 still to be raised for furnishing.

This will then leave the Out-Patients' Department, the X-Ray Department, the Isolation Block, the Nurses' Home, the remainder of the Administration Block, and the Porter's Lodge to be erected, in order to complete the full Building Scheme.

The erection of the Out-Patients' and X-Ray Departments must be our next most imperative duty and we look with confidence to our Fellow Townsmen to rally to the support of their Hospital to enable these most essential Departments to be completed.

Until this is accomplished both departments will have to continue in the old premises in Whitegate Drive, which will not only be an added expense but prevent the realization of the property and the utilization of the money to reduce the heavy debt which will then remain on the Building Fund.

In our previous Report we stated that it had been decided to hold a Bazaar in the autumn of 1935. We have found it necessary to postpone this date to the autumn of 1936. In the meantime, the Mayor has launched an appeal for donations to his Building Fund during his year of office, and which we sincerely hope will receive a satisfactory response.

VICTORIA HOSPITAL,

7th May, 1935.

MEDICAL REPORT

The Medical Board has followed with great interest the progress of the New Hospital in Stanley Park, and is looking forward to working in these modern up-to-date buildings during the near future.

A very determined effort has been made during the last twelve months to prevent over-crowding in the Wards, and conditions have certainly improved. This has, however, thrown a certain amount of extra work on the Out-patient Department, and caused some congestion. The accommodation provided in the Out-patient Department is totally inadequate for the ever increasing demands made upon this space. In spite of this tremendous difficulty, however, the Medical Board has reorganised the working of this department, and it is hoped that by allocating definite hours to certain types of cases, over-crowding and delay in this department will be lessened to a considerable extent.

For the first time in the history of the Hospital a complete and very efficient Blood Transfusion Service has been organised in conjunction with the local branch of Toc H. Volunteers have been called on from time to time and have given their blood gratuitously to those patients in whose cases such a procedure has probably meant the saving of life.

A new Diathermy Apparatus has been purchased by the Board of Management, and this will enable the most modern forms of treatment to be carried out in cases of disease of the eye, the throat and the genito-urinary system.

There were 2,515 admissions to the Wards during the year, and a total of 3,975 patients were treated in the Out-patient Department. It will be noted that there is an increase of over 1,000 Out-patients as compared with 1933.

The average number of attendances in this Department was 4.67.

The average daily number of beds occupied was 103.83, and the average stay in Hospital was 15.07 days.

The nursing work accomplished during the year, i.e., patients treated for one day, was 37,898.

The number of operations performed during the year was 1,976; 150 more than the previous year.

X-RAY DEPARTMENT.—2,898 patients were treated in this department, and the attendances and treatments amounted to 6,828.

In the Massage Department 496 patients were treated, and attendances totalled 6,410. The average number of visits per patient was 12.93.

EAR, NOSE AND THROAT DEPARTMENT.—469 new cases were dealt with in this department during the year.

OPHTHALMIC DEPARTMENT.—In this department 167 new patients were treated, with 1,262 attendances.

CLINICAL PATHOLOGY.—The bio-chemical tests carried out in this department continue to be of very great value and assistance to the Hospital.

The death rate was 4.65%, excluding 59 patients who were moribund on admission and died within 48 hours. If these cases are included the death rate is raised to 6.99. This is an improvement on last year.

The Resident House Surgeons who have done duty during the year are Dr. P. B. McCumisky, Dr. D. M. Roberts and Dr. P. Zimmerman.

The following tables and analysis of the operations performed shew the amount of work done compared with the three previous years :—

VICTORIA HOSPITAL, BLACKPOOL.

TO OLD AND NEW SUBSCRIBERS

**How to increase your subscription by $33\frac{1}{3}$ per cent.
without any extra cost.**

By virtue of the Income Tax Act, 1918, and subsequent Finance Acts it is possible for a hospital to recover from the Inland Revenue Department the Income Tax that has been paid by subscribers in respect of their subscriptions. To enable a hospital to do this, however, it is necessary that each subscriber should enter into a Contract to pay to the hospital an annual subscription of definite amount during a period of not less than seven years.

A sur-tax payer actually profits by this scheme, as he is entitled to deduct the gross amount of his annual subscription from the total income shown in his next sur-tax return.

These agreements are usually so drawn as to be terminated by death, so that a subscriber's estate will not be liable to continue the subscription after he has died. If so desired, however, the agreement may be made for seven years certain binding the subscriber's estate.

A concrete case :—

A subscriber covenants to pay to the hospital out of his taxed income an annual subscription of say, £5 5s., during a period of seven years. The hospital can then claim from the Inland Revenue £1 15s. so long as Income Tax remains at 5s. in the £. The amount of subscription in the Annual Report would be £7. The subscriber is entitled to deduct £7 from his sur-tax return.

A few examples :—

Present Annual Subscription.	Amount Recovered by Hospital from Inland Revenue.	Amount of Subscription credited to Subscribers.
£ s. d.	£ s. d.	£ s. d.

21 0 0	7 0 0	28 0 0
50 0 0	16 13 4	66 13 4

So long as Income Tax remains at 5/- in the £.

**A Specimen of the Contract or Deed of Covenant
which a Subscriber must Sign:—**

I, ...
of
hereby covenant with the Treasurer of the Victoria Hospital,
